Radishes	5	0	5
Sorghum Cane	0	5	5
Tomatoes	8	0	8
Watermelons	6	0	6
Totals	647	73	720

REMARKS:

Shortage of farm labor necessitated a reduction of garden acreage. Radishes and onions are being harvested and sold.

The range and feeding platforms for approximately 700 hogs is still under construction. A concrete feeding platform 50' x 60' is one half completed. As soon as completed, hogs will be purchased.
